A BENEFIT CONCERT FOR HAITI

In collaboration with FREE THE CHILDREN

Sunday, November 5th, 2006

The Great Hall @ 7:00pm

1087 Queen Street West, Toronto

CHILDLIKE INaSENSE UNE VOIX à SUIVRE

This Benefit Concert Movement, in collaboration with FREE THE CHILDREN, began in January of 2004 and is now being held every year in Montréal, Toronto and Tokyo, Japan.

Past concerts have supported projects in China, India, Indonesia, Cambodia, Sri Lanka, Sierra Leone and Haiti.

Tonight we celebrate Toronto's third annual CHILDLIKE INaSENSE and over 70 volunteers – including artists, technicians, ushers & more – have offered their time & talents to make this concert possible.

Of course, none of this could happen without every one of you in the audience. Together, we will now help to assist a development project in Deslandes, Haiti; one that embraces the values of education, sustainability and dignity.

Your presence tonight will literally make a lasting difference in the lives of 450 students in Deslandes as well as in the life of their whole community.

Thank you for sharing this special evening with us
and please enjoy the show as we
help to change the world...
one song at a time!
